

TERMS AND CONDITIONS FOR WINDY CITY DRIVING SCHOOL

By joining Windy City Driving School, you're tapping into a lead generation service that connects you with certified, licensed driving schools across Chicago and its suburbs. We work closely with our trusted driving school network to make it easy for individuals to obtain their licenses. Please note, we are not a physical location but a lead generator dedicated to pairing you with professional and reputable driving instructors. Enrollment in our services signifies your acceptance of the terms and conditions detailed below:

1. Operational Structure

Windy City Driving School does not operate a physical location. Our platform is a lead generator that connects you with certified driving schools licensed under the Secretary of State.

2. Rescheduling Policy

Students must notify their chosen driving school to reschedule a lesson. Each school has its own policy, but generally, failure to notify in time may result in a rescheduling fee and repeated failures could lead to lesson termination without reimbursement.

3. No-Show Policy

Students who fail to show up for a scheduled lesson without proper notification will not be reimbursed for the missed lesson. Each school has its policy to ensure instructors' time is respected and all students have equal opportunities to book lessons.

4. Road Test Readiness

By scheduling a road test, you affirm that you possess the necessary driving skills. If it is determined that you have misled about your abilities, the driving school may cancel any scheduled tests or lessons without refund.

5. Right to Refuse Service

Driving schools reserve the right to refuse service to anyone at any time, particularly in cases involving disrespectful behavior, failure to follow instructions, or safety risks to individuals or the public.

6. Accident Policy

In the unlikely event of an accident during a lesson, the vehicles are fully insured. Comprehensive car insurance covers damages according to the policy terms, providing peace of mind for students and instructors.

7. Pre-Lesson Classroom Requirement

Students are generally offered a 6-hour classroom instruction session before their first behind-the-wheel lesson. This session is crucial for laying the foundation for safe driving practices and road awareness.

8. Refund Policy

Each driving school connected through Windy City has its own Refund Policy. Once you have enrolled and paid for lessons, any refunds are managed directly by the Certified Driving School and/or Instructor. Windy City does not process payments for services nor can it issue refunds on behalf of any driving school.

9. Driving School Partnerships

Windy City Driving School operates as a lead generation service in partnership with multiple Illinois Secretary of State licensed driving schools. This collaboration ensures access to a network of certified and trusted driving schools throughout Chicago and its suburbs.

By enrolling in Windy City Driving School, you acknowledge that you have read, understood, and agreed to the terms and conditions outlined above. We are excited to be part of your journey to becoming a safe and confident driver with ease.
